

### THE READY WITNESS OF THE BELIEVER

**Introduction:** This chapter shows how submission (3:1-12) and suffering (3:13-22) prepare believers to be ready and effective witnesses for Jesus Christ. Submission is an effective witness to the unsaved in the home. Suffering is necessary in the birth process in both physical and spiritual birth. Christ suffered to provide the new birth. Believers suffer as witnesses of the new birth (Phil 1:29).

**Lesson Aim:** Learn how submission and suffering make believers into ready witnesses for Christ.

**Memory Verse:** "Sanctify the Lord God in your hearts: and be ready always to give an answer to every man that asks you a reason of the hope that is in you with meekness and fear" (1 Pet 3:15).
