

## GETTING READY FOR CHRIST'S COMING

**Introduction:** In chapter five Paul concludes his practical instructions and exhortations to the Thessalonian church. In view of Christ's soon coming, Paul exhorts them to live soberly and watchfully (5:1-11). Paul then summarizes specific areas of Christian responsibility in which these Thessalonian Christians are to be growing. First of all, every Christian is responsible for personal holiness, but after that he should encourage his brethren to live holy lives. Paul's desire for the Thessalonian congregation was that they be a vibrant, healthy church, building each other up in Jesus Christ.

**Lesson Aim:** Learn how every believer can contribute to the spiritual life of his local church.

**Verse:** "Comfort yourselves together, and edify one another, even as also you do" (1 Thess 5:11).
