

**BEING RAPTURED AT CHRIST'S COMING**

**Introduction:** In chapter four Paul gives some practical exhortations to believers so they might know how to walk to please God. First, due to the immorality in their culture, he exhorts them to abstain from all sexual sins and live holy lives. Second, some believers left their jobs, thinking Christ's coming for the Rapture was soon. This put a burden on the other believers to feed them, so he exhorted them to return to work to take care of their own needs. Third, there was confusion as to what happens to believers that die before the Rapture. Paul gives the fullest account of this event to comfort them. Paul wanted them to know how they "ought to walk and to please God" (1 Thes 4:1).

**Lesson Aim:** Exhort Christians to walk so as to please God and to abound in it more and more.

**Verse:** That you know "how you ought to walk and to please God" (1Thes 4:1).
