

SOUND WORDS IN THE CHURCH

Introduction: Paul wrote this letter from Macedonia to Timothy in Ephesus. He asked Timothy to stay in Ephesus to correct some serious problems in the church. The first problem that Paul mentioned in this letter was the false doctrine being taught that a person becomes righteous by keeping the Mosaic Law. This was contrary to the doctrine of righteousness by faith in Jesus Christ. These teachers had to be stopped.

Lesson Aim: Know the critical importance of having teachers speak sound doctrine in the church.
