

# THE FIERY FURNACE

## Daniel 3

### Introduction

In this chapter the issue of “conviction or conformity” arises. This time the godly leadership and influence of Daniel was absent, and the remaining three faithful Jews, Shadrach, Meshach and Abednego were forced to make a difficult decision on their own. The faithfulness of God’s children and the testimony of God’s character were at stake – each dependent on the other. Faithfulness or compromise, life or death were at stake when these three believers in God lived under the absolute authority of a proud monarch that demanded their worship.

### Aim of the Lesson

**Obey God, even if your life is threatened, and you will give a weighty witness to the unsaved.** “...(T)hat the trial of your faith being more precious than gold that perishes, though it be tried by fire, might be found unto praise and honor and glory at the appearing of Jesus Christ” (1 Pet 1:6, 7).
