

## OUR REVELATION OF CHRIST

**Introduction:** There are many blessings that we receive from Christ, but the most important of these blessings are those that improve our spiritual lives. When a person's spiritual life is blessed of God, the rest of his life is already blessed by God.

**Lesson Aim:** To instill in believers a deep concern for the welfare of their spiritual lives.

**Key Verse:** "...To be strengthened with might by His Spirit in the inner man...and to know the love of Christ which passes knowledge, that you might be filled with all the fullness of God." (Eph 3:16b, 19).
