

**VICTORY OF MOSES**

**Introduction:** Pharaoh refused to release Israel, the LORD's firstborn son (the nation He chose as His own), so He punished Pharaoh by killing all the firstborn in Egypt. He gave Israel instructions on how to save its firstborn. The tenth plague set Israel free and gave Moses the victory over Pharaoh.

**Lesson Aim:** Believers can have victory over temptation and sin by faith in Jesus Christ to help them.

**Memory Verse:** "Whoever is born of God overcomes the world: and this is the victory that overcomes the world, even our faith" (1 John 5:4).
