

## GLORY OF THE LORD

**Introduction:** After Moses chastised the Israelites for making a golden calf and worshipping it in the name of the LORD, he pleaded with the LORD to forgive Israel and restore His covenant with them. The LORD granted Moses' plea and blessed Moses for his selfless ministry that was done for His glory.

**Lesson Aim:** Ask believers to draw near the LORD to be more like Him and do all things for His glory.

**Verse:** "But we all, with open face beholding . . . the glory of the Lord, are changed into the same image from glory to glory, even as by the Spirit of the Lord" (2 Cor 3:18).
