

**COLLAPSE OF JERICO'S WALLS**

**Introduction:** It is always a special thrill to win a victory over our enemies and so it was for Joshua. The first enemy city that Joshua faced in the land of Canaan was Jericho. Before that happened, he received special instructions from his Commander-in-Chief (Christ before he became a man). Christ told him that the men who were 40 years old and younger had to be circumcised before they could inherit the Promised Land, which they had not done since they left Egypt. Then Christ gave Joshua His strategy for conquering Jericho. It was a most unusual tactic, but Joshua responded with faith and obeyed Him in every detail. Victory was granted to Joshua and his troops. The victory that Joshua had over this city provides several lessons that will help us gain victory over our enemies: the world, the devil, and the flesh (Eph 2:2-3).

**Lesson Aim:** Learn basic principles to gain spiritual victory over the enemies of our souls

**Memory Verse:** "Thanks be to God, Who gives us the victory through our Lord Jesus Christ" (1 Cor 15:57).
