

THE FAITHFUL JUDGES IN ISRAEL

Introduction: Israel had an impressive list of initial victories over her enemies in the Promised Land, but the job was not done until her enemies were completely driven out or destroyed. This, however, was a task more difficult than it first appeared. They needed to stay close the LORD to have His power and blessings like Joshua and his leaders did, but the next generation departed from the LORD when the original leaders died. So it is with most Christians in the battle against their spiritual enemies: the world, the flesh and the devil. Many Christians settle down in their spiritual lives and become satisfied with mediocre performances. They compromise with sins that are difficult to overcome and later those sins become thorns in their sides. But Christians can win the battles like Joshua, if they will walk by faith in obedience to Christ.

Lesson Aim: Persuade Christians to conquer every known sin in their lives by faith in Christ's power.

Memory Verse: "Whoever is born of God overcomes the world: this is the victory that overcomes the world, even our faith" (1 Jn 5:4).
