

## THE LORD'S WORKERS

### Introduction

In chapters 10-11 the Lord has some faithful workers that serve Him: a mighty angel, the apostle John and two men that witness for Him during the last half of the Tribulation. Paul taught the Christians at Corinth that we are God's stewards and it is required of us to be faithful in our work for Him (1 Cor 4:2).

**Aim of the Lesson:** Be a faithful worker for the Lord.
