

### MAINTAINING GOOD CHRISTIAN WORKS

**Introduction:** The lesson in Titus 1 revealed that God has planned for His churches to maintain order by doing good works. This cannot be done apart from the believers who are the church. God wants His people to be characterized by good works. They are not saved by good works (3:5), but they are saved to do good works (3:8).

**Lesson Aim:** Challenge the believers to "be careful to maintain good works" which will glorify God.

**Memory Verse:** "They that believe in God might be careful to maintain good works. These things are good and profitable unto men" (Tit 3:8).
